Blacktopping Of Route 173 Said Possible

State Representative W. J. Murphy of Antioch enjoying a recess from the special session of the Illinois General assembly last weekend, said he has high hopes that the blacktopping of Rte. 173 from the Illinois Tollway west to Antioch can be placed on the highway department emergency program for this year.

Rep. Murphy conferred with Gov. William G. Stratton in Springfield last week concerning the project and pointed out:

"The new tollway brings thousands of people into the Chain O' Lakes region and then dumps them onto a worn-out, out-moded highway that is in extremely bad shape."

"I'm sure Gov. Stratton realizes the importance of the project and he assured me that he would make a thorough study of the situation to see if anything can be done on the highway this year," Rep. Murphy said.

Pastor Otterstatter Accepts Call To Local Church; Installation Set

Pastor Marvin Otterstatter, now at St. Paul's Lutheran church in Monroe, Mich., will be installed as pastor of Faith Lutheran church in Antioch at 4:30 p.m. Sunday, June 5.

After the ceremony a lunch will be served in the basement. During

and after that event, Pastor Otterstatter will have an opportunity to meet those present.

Ordinarily the first Sunday after an installation a new minister gives his first sermon, which in this case would be June 12.

However, the new local minister planned to be out of town on the date for a wedding in his family.

Therefore his initial sermon in Antioch will be presented June 19.

Gym's Acoustics Problem Eyed by Education Board

Plans for adding a locker-shower room to the Oakland school were discussed and an architectural firm was given permission to draw up cost estimates at a meeting of the Antioch grade school board of education.

Meeting Tuesday evening, the board heard representative of the firm of Gilbert A. Johnson Architects of Rockford, describe what could be done to add and give the Oakland school such facilities.

The locker-shower room would include toilet facilities and would be in addition to such facilities now in the building. There is no locker-shower room at present.

The acoustics problem in the gym also was discussed with an estimate of \$3,200 to \$3,500 as the cost for putting in sound-absorbing material there.

Under one plan, suggested Tuesday night, the present conference room in back of the gym's stage would be used as part of the shower-locker room.

The band which now uses that conference room would be moved to the opposite side of the hall into a room now not finished off. At least part of that latter room would be soundproofed.

In other matters Tuesday night, the board approved the 1960-61 school year schedule that calls for school to open the day after Labor day (September 6) and close the following June 5.

School would let out March 28 of next year for spring vacation and sessions would resume April 4.

The liability insurance policy the board has with Bernard Osmond was renewed.

The board voted to deny Mrs. Ken Kirchmeyer use of the Antioch school gym for a recital on the grounds it was against the board's policy.

Anchor Post company was awarded a contract on its low bid of \$438 to supply and install a fence along school property.

DEAR READER News Editorials

It's Still A Good Idea — IF

Several weeks ago we editorialized to the effect that if and when a building or two or three are needed to house the Antioch village offices, the township library and the township offices, one structure would suffice.

That idea still holds—IF such a building is necessary.

We are not promoting a new structure just for the sake of starting a building boom in the village, or to spend more money or anything like that.

But we do believe a building combining these offices should be put up if these government departments need more housing.

We see little sense in constructing three separate structures.

The village, the township and the library officials tell us that it will be necessary soon if not now to find larger facilities.

The library is almost bursting not only with books which need places for display, but also more room is needed to house those who use its many facilities—both young people and older.

It would seem as if more efficient government would be the result of combining township offices in one building instead of spread out over the village as they are now.

And it is common knowledge that the village is planning on a new building to house its offices as it is outgrowing its present structure.

So—it might be said it is up to the people what is to be done now. Chances are before too many months go by they will be asked to vote on a bond issue or two or perhaps three to finance building work.

Which shall it be—two or three separate buildings—or just one—or none?

McHenry Lock Dedication Due May 29

McHENRY—The new McHenry lock will be dedicated at 3:30 p.m. Sunday, May 29, in another step in the long range program for development of the Fox river as a boating and recreational area.

The governor officially will open the lock, which is the first of a series of low level dams and small boat locks or portage facilities designed to make the Fox river available for small craft from the Illinois river at Ottawa to the Chain O' Lakes on the Wisconsin border.

The long range program ultimately will result in construction reconstruction and acquisition of some 35 dams and locks extending on the Fox river from Ottawa to McHenry.

With the opening of the McHenry lock, small boats can now travel from Algonquin, 17 miles south of McHenry, into the Chain O' Lakes.

The McHenry lock has a usable

chamber of 20 to 60 feet. The miter gates and the filling and emptying conduits are electrically operated and a complete lockage can be accomplished in 15 minutes.

The lock chamber is formed of steel pilings, as are the wing walls and tie-up areas. The miter gates are of fabricated steel and are swung from gravity concrete anchor walls.

Control of the water will be handled by the use of horn signals and lights under supervision of a lock tender.

A study of the Fox river, which extends 184 miles from its source in Wisconsin to Ottawa on the Illinois river, was started in 1947.

But no definite progress was noted until 1956 when Governor William G. Stratton revived the project and appointed a commission for the development of the river.

Funds were provided by the legislature for the McHenry project and for construction and reconstruction of a series of dams in Kane, Kendall and LaSalle counties as an initial step toward the ultimate goal of making the river more flexible for use by the boater, the fisherman and the hunter.

Mrs. T. Majewski And Daughter on California Visit

By Mrs. Bernice Bernau
Mrs. Ted (Evelyn) Majewski of Deerpath drive, and her daughter, Roberta, 14, returned May 8, from North Hollywood. They went out there to see Evelyn's first grandchild.

The daughter, Mrs. Roger (Sharon) Leland, 20, is the proud new mother. She had a son, Ronald Scott, born April 12. He was a whopping 8 pound 4 ounce bundle.

Sharon is a graduate of Antioch high school. She has been married a year and a half and has been living in California for the past year. Her husband is employed at Lockheed.

Ted, and their son, Byron, 16, a student at Grayslake high school, bachelored it for the whole month. Evelyn said they did very well. The Majewskis have lived in Lindenhurst for three years.

Evelyn was quite nervous about flying, let alone going by jet, but after she was once aloft, all her fears were gone. Their trip took just four hours each way.

Roberta is going to graduate from Lake Villa grade school in June.

Evelyn sends Sharon the Lindenhurst news column every week to help keep her informed of what her friends back here are doing.

While there, Evelyn visited Mrs. June Searcy in Los Angeles, a friend, formerly of Chicago.

Hat Show, Awards Presentations Highlight Community Club Session

By Mrs. Pearl Kapell
CHANNEL LAKE—Business was dispensed with at the meeting of the Channel Lake Community club May 10 to give the evening over to the Brownies of Troop 74 and the Boy Scouts of Troop 88.

It was the second anniversary of the Brownie troop at Channel Lake, and in appreciation of the support of the Community Club, the girls put on an entertaining and clever "hat show."

Each hat, modeled by a little

Brownie, and conceived and created by them—with a little adult help—represented some phase of scouting.

The significance of each creation was explained in an amusing couplet, written by Lucile Eberman for the occasion, and read by Girl Scouts Kathy Petalski, Joan Lindblad and Viola Ward.

For example, one hat represented a tenderfoot Scout. It was a life-size foot, in a plaster cast, mounted on a square of decorated cardboard, with ribbons which tied under the chin of the young lady who wore it.

BROWNIES WHO modeled hats were Wendy Eberman, Jean Kaleth, Carla Reynolds, Connie Willis, Vicky Lebowski, Kathy Eckert, Susan Davis, Mary Lulofs, Patty Wiczorek, Joellyn Rasznick, Karen Voskuil, Colleen Ward, Alicia Bierman, Brenda Camerer, Deborah Stankus, Kathleen Chase, Susan Hessian and Deborah Hessian.

After the hat show, five Brownie "fly-ups" were welcomed into Girl Scout Troop 73. They were Vicky Lebowski, Connie Willis, Susan Davis, Patty Wiczorek and Brenda Camerer.

Three new Brownies were then welcomed into the troop—Alicia Bierman, Kathleen Chase and Deborah Stankus.

Two year pins were awarded to Wendy Eberman, Jean Kaleth and Carla Reynolds. One year pins went to Mary Lulofs and Kathy Eckert.

Brownie Leader Lois Ward announced that birthday cakes for the occasion were baked by Lorraine Lempe and Mary Chase. Mrs. Ward thanked the Community club for its assistance to the Brownies. She announced that Brownie leaders for the next year would be the same as the past year—herself and assistant leaders Lillian Voskuil and Lucile Eberman.

THE MEETING then was turned over to Scoutmaster Ray Atwood, who presented neighborhood commissioner James Bruski to the assemblage.

Bruski thanked the Community club for its support of Scouting, and presented the charter for Troop 88 for the next year to president Lewis Rogers.

He then presented the Committeemen of Troop 88—Russell Roepenack, chairman, who also received a three-year pin; Dick Davis, secretary and treasurer; Blaine Ring, Elmer Eberman and assistant scoutmaster Bill Young.

Committeeman Donald Behling was not present.

Atwood then gave awards for achievements to the boys.

Second class awards went to Rodney Patterson, Jim McCarthy, John Ring and Bob Willis; first class to Terry Dowell and Tom Hucker.

Joe Ring received merit badges in cooking, citizenship and home.

L.V. School Band Concert Enjoyed By Large Crowd; Hospital Benefits

By Mrs. Rernice Bernau
LAKE VILLA—About 300 people enjoyed the concert given for the benefit of the Countryside hospital, by the Lake Villa School junior and senior bands, Sunday afternoon. It was held outside, in the school yard. Everyone enjoyed the numbers played, with even the birds overhead chirping their approval.

Numbers played were "Red Jackets March," "Columbiana Overture," "Brave and Bold" and "The Honor Bound March" rendered by the junior band.

The senior band's program was "Americans We," "Flambeau," "Erie Canal," "Shenandoah," "Whoopie ti yi yo," "National Emblem March," "Blue Tango," "Red River Rock," "Highlights from the Music Man," "Holy, Holy, Holy," "Ave Maria," "From an Indian Lodge," "To a Wild Rose," "Hurricane" and "The Billboard March."

Thala Rush, director of the music at the school, confided to the audience that he was partial to circus music, when they played the

"Billboard March." When he was a boy of 15 he ran away and joined the circus. Six weeks later he was found and brought home.

The Masters and Matrons of the Community Methodist church, Lake Villa, will have their last regular meeting of this season Saturday, May 21, at the church.

Installation of officers will take place at this meeting. The nominating committee includes Mr. and Mrs. Bob Smith of Lindenhurst and Mr. and Mrs. Roland Lyons of Fox Lake.

A belated "happy birthday" to Mrs. Marie Davis, kindergarten teacher at B. J. Hooper school.

J. Oilschlager Has Scholarship

SPRINGFIELD — James Oilschlager, a graduate of Antioch Township high school, has been awarded a teacher education scholarship, George T. Wilkins, superintendent of public instruction, announced this week.

Wilkins said the scholarship entitles the candidate to enter teacher training at one of five state-owned universities — Illinois State Normal University, Northern Illinois University, Southern Illinois University, Eastern Illinois University or Western Illinois University.

He said the award was made possible by the transfer of a partially used scholarship originally assigned to another candidate.

A candidate for a scholarship must have graduated in the upper half of his class and is entitled to instruction, matriculation, graduation, tuition and activities fees in the teacher education program.

Principal Albert Dittman certified the name of the qualified candidate to W. C. Petty, Lake county superintendent of schools.

The scholarship was issued by Superintendent Wilkins after Petty also approved the award.

Oilschlager, a son of Mr. and Mrs. Donald Oilschlager of Grand Avenue, Lake Villa, was graduated from AHS in 1959.

Chevy hums through Chicago traffic to the tune of 21 miles to the gallon!

Working for Bumper and Auto of Illinois, Inc., ten 1960 Chevrolet pickups battle Chicago traffic day after day. Each truck averages about 2,000 miles a month in this wearing stop-and-start delivery service. Mr. Harry Haller, General Manager of S & H Truck Leasing, who leases the trucks to the bumper firm, reports: "We provide full maintenance on the trucks—gas, oil and everything else—so it pays us to know just where we stand on costs. And our records show that the '60 Chevrolets are giving us as much as 21 miles per gallon...with an average of better than 17 miles per gallon. Mister, these are our kind of trucks!"

Truck owners have good things to say about all Chevy engines. And when they're not talking about Chevrolet performance and economy, they're telling you how great that new Torsion-Spring Ride is. How it soaks up road shock and vibration. Protects fragile loads. Lets you run at faster, safe speeds to get more work done in a day. Drive a torsion-spring Chevy soon. We'll rest our case on that one ride.

Ivy Cancer League to Meet Friday Evening; Other Lindenhurst News

By Mrs. Bernice Bernan
Phone ELiot 6-5649
Ivy Cancer League no. 15 will hold its regular monthly meeting at 8 p. m. Friday, May 20, at the Lake Villa school. Everyone is invited to attend.

Guest speakers will be John M. Davis, president of Ivy Cancer Foundation; Mrs. Zelma Lee Ross; Claire Page, reporter from the Chicago Tribune; and Mrs. V. Ryan, who has had cancer but is now cancer-free after treatment with trebozen.

Masters and Mates of the Community Methodist church in Lake Villa are hard at work rehearsing for the play, "Desperate Ambrose," to be performed at the Round Lake Grade school, Renahan road and Cedar Lake road, at 7 p. m. Friday, June 17.

This is to be a benefit performance with all proceeds going to the Countryside hospital. The play is a three act western comedy Lake Villa residents saw April 1 and 2.

There has been one change in the original cast. Mrs. Clarissa Meilen of Laurel drive is being replaced by Miss Lynn Chmelik.

Judith Caldwell, 5, of Old Elm road is sick with the measles. Her sister Linda and brother Mickey have had them, but little Jeannie, eight months old, hasn't had them.

Mrs. Millie Caldwell of Old Elm road had a jewelry party in her home May 9.

Wearing beautiful jewelry a few hours were Betty Ireland, Ruth Monk, Helen Gruszki, Olive White, Mary Nanck, Helen Gordon, Caroline Westberg, Pat Loblillo and Linda Caldwell from Lindenhurst. Virgie Shuck, Maxine Ucalano and Nadine Nielsen came from North Chicago. The girls were shown what type of jewelry to wear with different outfits.

Mrs. Armell Shepard of South Thornwood drive gave a baby shower for her neighbor, Mrs. Judy Weber, May 10.

Neighbors who helped shower the baby with gifts were Mrs. Helen Wright, Mrs. Rita Wismer, Mrs. Mary Boyle and Mrs. Grace Schneider.

Judy has a little boy, Hank, who is five years old.

The Lindenhurst Garden club will have its regular monthly meeting Monday, May 23, at the home of Mrs. Mary Loblillo on Countryside lane.

Chaperones are needed for the roller skating party Saturday, May 21. The Lake Villa P.T.A. sponsors the party every third Saturday of the month. The party is held at Rollin's Wheels rink at Twin Lakes, Wis. The bus leaves the Lake Villa school at 12:30.

A happy birthday to Kathy Hartwig of Sand Lake road. She was nine years old May 10. Helping her to celebrate were her brothers, Mike, David and Danny, her grandmother, Mrs. Jenny Volpentesta, who lives with the James Hartwigs, and her uncle, Frank Volpentesta of Morton Grove, and his family.

If you thought your eyes were deceiving you last Tuesday evening, when you saw grown women dressed in children's clothes, carrying dolls, wearing bobby sox and bows in their hair, it was just for a "Come as you were at 6 years old" party given by Mrs. Babe Hartwig of Sand Lake road.

The girls were Mesdames Pat Parpan, Lu Stanley, Lois Flanagan, Bernice Frontzak, Rae Gibbons, Dee Flint, Lynn Hay, Ann Lance, Grace Slove, Millie Caldwell, Ethel Brendel and Esther LaChance.

Lynn wore pantaloons, Lue came in a long frilly nightgown (such as little girls wear); carrying her dolly, and saying "My mommy doesn't let me stay up after 9 o'clock." Every body was dressed for the occasion.

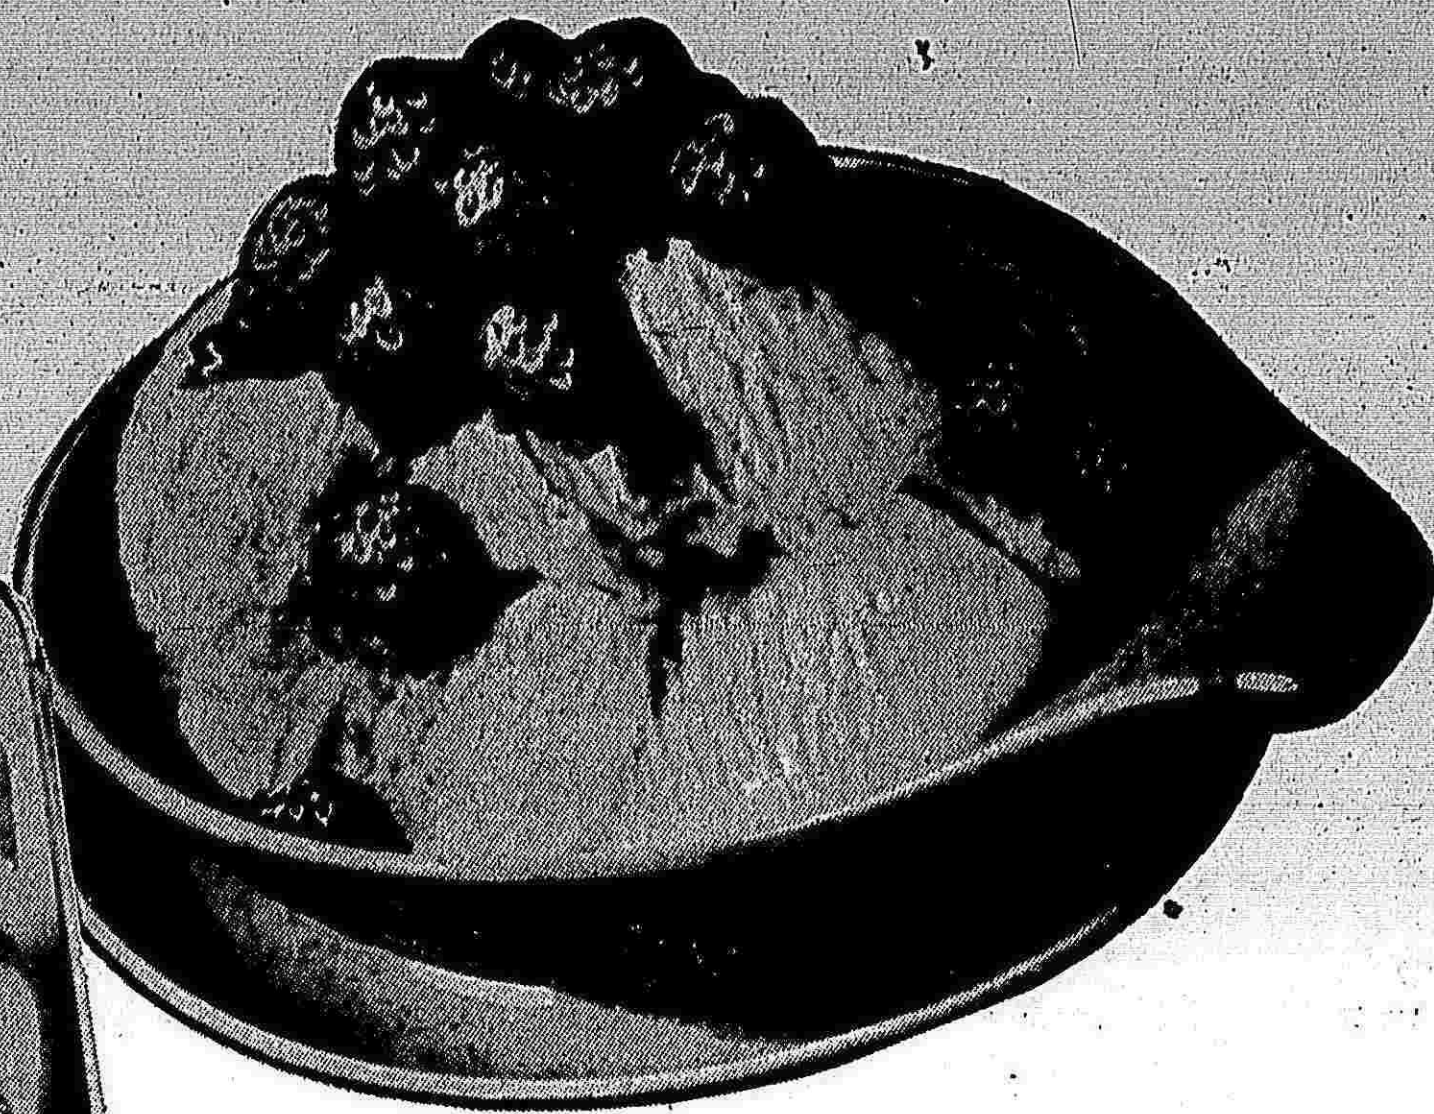

The girls had a grand time playing children's games, such as dropping clothespins in a bottle, blowing balloons and sitting on them until they broke, and having a bubble gum blowing contest.

NO! NO! that's not the way, says Irv Carey (left) as he instructs Morris Pickus on the open stance-pivot with an overlapping grip. Looking on are Pres Reckers (center) and Jack Fields (right). The foursome is warming up for the annual Lions Club Spring golf outing to be held May 25th at Spring Valley Country Club.

Antioch News Tourney List Reaches 3rd Round

The large field entered in the Antioch News men's bowling tournament being held at the Antioch Bowl has been narrowed down to 32 persons as the third round got underway this week.

But the defending champion of 1959 is not around. He was entered but had to leave due to an appendectomy operation. Winner last year was Art Fortmann.

The third round of bowling in the tourney which started this week after drawings on Sunday, must be completed by 1 p. m. Sunday, May 22.

Losers in the third round will collect \$7.50 each.

12 Schools From Area Invited to Event on May 23

Monday, May 23, is the new date for the third invitational track meet for area grade schools, postponed from May 19 and from 11, director Bob Walther, AHS coach said this week.

The meet to be held at the Antioch high athletic field was cancelled May 11 due to rain and wet grounds. It then was re-scheduled for Thursday, May 19.

However, due to the fact that three schools called and said because of other activities they would be unable to attend, it has been re-scheduled for next Monday afternoon.

This will be the last possible date for the meet, Walther said.

Events will get under way at 4:15 p. m. with the 60-yard low hurdles for 7th graders and the 100-yard low hurdles for 8th grade students.

There will be no team recognized victory as the meet is for individual recognition only, Walther said.

Invited to take part have been Antioch grade school, Emmons, Grass Lake, Chancel Lake, Allendale, Oakland, Millburn, St. Peter's of Antioch, Prince of Peace of Lake Villa, Newport, Hickory and Lake Villa.

'Lions' to Play In Golf Tourney Next Wednesday

Spring Valley Country club will be the scene Wednesday, May 25, for the annual Lions club spring golf tournament. Tee off time for the first foursome is scheduled for 1 p. m.

Something new will be added this year as prizes will be awarded on the basis on nine holes instead of 18.

In past seasons some of the less energetic members and guests have been somewhat reluctant to go a full 18 holes and it is hoped the change will induce greater participation.

Many old faces will be on hand to demonstrate their prowess on the links. Dr. Al (Pivot) Bucar, defending handicap champ will tee off with a much improved swing.

Ted Larson will be making a bid to retain his title of tournament champion.

Absent this year will be slamin' Jack Fields, but stepping in to fill the gap will be Pres (the lion heart) Reckers.

Reckers is undefeated in tournament play so far this year and will be making a strong bid for title honors.

There will be many special prizes awarded for special events, putting tournament, driving contest, etc.

Following the tournament a dinner will be served starting at 7:15 p. m., after which the prizes for the day's play will be awarded. It looks as if this tournament may be the biggest yet.

CARTHAGE—Dennis Beattie, son of Mr. and Mrs. Warren Beattie of Route 3, Antioch, was awarded a letter in baseball at the recent annual Carthage College C club convocation.

Softball Year To Open Here

All scheduled games in the Lake Keno Softball league this week were postponed and moved up a week due to wet grounds and threatening weather.

However, the planned "extraganza" at the field 3 miles north of Antioch near Kenosha county trunk C will be held Saturday evening.

May 21, as scheduled—weatherman permitting.

All kinds of entertainment, including softball, will be featured Saturday, starting at 7:30 p. m.

The appearance of the "Shiek Abdul One Pitch" will be a major attraction as will a softball game between Mazzuca State Farm Insurance team vs. Golfview Motel.

The famous Ka-Dettes drill team of Lake Villa's VFW post no. 4308 will put on an exhibition of marching under the direction of Miss Alyce Shea.

This drill team was runner-up to the state champions last year. It will represent this area in the national VFW championship contests to be held in Detroit in August.

The regular league season will open next Tuesday evening at 7:30 with Fox Lake Merchants meeting Sterbenz Garage, followed by Thom-Eric (1959 champions) vs. Golfview Motel.

Next Wednesday night at the same time Joe's Tap will meet the John Rystak team with State Farm Insurance drawing a bye.
